## A Call to Mission – Making a Difference

God of mercy, you call each of us to your mission  
of love and compassion in our world.

As we review our story give us discerning spirits,  
and the humility to learn from our actions and missed opportunities.  
Inspire us to reimagine in ourselves a greater creativity and courage  
to respond wholeheartedly to a changing world.

Renew in us a passion for your mission of justice, mercy and service,  
especially towards those most marginalised.

Strengthen our commitment to the common good,  
in the spirit of St Mary MacKillop  
who made a lifegiving difference to so many.

We make this prayer in Jesus' name.

Amen.
